

Children & Young people

Prevent Leaflet

What is the Prevent strategy?

Prevent is a government strategy designed to stop people becoming terrorists or supporting terrorist or extremist causes.

Protecting children from

RADICALISATION

Is a **TEAM EFFORT**

How the Prevent strategy applies to us?

From July 2015 the staff in all schools have a duty to safeguard you from radicalisation and extremism.

This means that we have a responsibility to protect you from extremist and violent views the same way that we protect you from drugs or violence.

The Brookfield School provides a safe place for you to discuss these issues so that you can protect yourself.

Being part of Britain

As a school we value and celebrate the British traditions. For example, Remembrance Day during the Autumn term and a trip to the pantomime around Christmas time! We have regular visits by Rev. Jimmy Morrison to reinforce our celebration of Christian festivals.

Democracy

Children, parents and staff have the opportunity for their voice to be heard. Democracy is key at The Brookfield School, for example our School Council includes the election of council members which reflects our electoral system.

You are always listened to by the adults in our school and respect the rights of others who have their opinions. We also encourage you to take ownership of your school, learning and progress.

Rules & Laws

You are taught why we have laws, how they govern and protect us and what happens when these laws are broken.

These values for example can be

reinforced by visits from the police and fire station so that you know and understand the difference between right and wrong.

The Brookfield School

Values Tree

We promote a different value each term, all which emphasise the values of our society.

Mutual respect for those with different faiths & beliefs

The Brookfield School are proud to promote and celebrate our different backgrounds. We respect everyone and everything.

Examples of how you understand faiths and beliefs are:

- Through RE, appreciation of other cultures**
- English, through fiction**
- Geography and Art, culture from other parts of the world**

Extremism

Extremism is not part of any British value. We have to have due regard to the need to prevent people from being drawn into terrorism.

We must work together to stop people joining terrorists groups and using extreme bullying to try and get their message across.

**Protect your children from
EXTREMISM**

**If you feel pressurised to do what
you think is wrong tell an adult at
school or at home**

You can talk to your:

- **Teacher**
- **TA**
- **Parent/Carer**
- **School Nurse**
- **Social Worker**
- **Councillor**
