

Weobley High School

My New School Guide

Welcome Message From Mr Williams

I am absolutely delighted to welcome you as a new pupil to Weobley High School. I am very proud to be Headteacher of this fantastic school and am always excited when our new pupils join us each September. Over the next few years I will be getting to know you very well and look forward to seeing you develop as you take on the challenge of secondary school education.

This is an amazing place to learn but you will also discover a huge range of other activities to get involved in and you will no doubt meet other pupils who will become friends for life! I am on duty at break and lunch time every day so do come and talk to me to let me know how you are getting on or if you need help with anything. I want the next 5 years to be the best years of your life – the staff at Weobley are incredibly committed and hard-working; they will always want the best for you!

Finally, please don't worry about anything; we are here to support you as you start secondary school and if you have any worries or don't understand something, you only have to ask. As the world is all a bit 'unusual' at the moment, the arrangements for your move to secondary school may be slightly different; we will make sure that you are still fully prepared and your move to Year 7 runs smoothly. Enjoy your final weeks of primary school and I'll see you all soon!

A Message From Your Learning Co-Ordinator

Mr Peruffo

I'm Mr Peruffo, and I will be your Learning Coordinator throughout Year 7 at Weobley High School. My job, with the help of your form tutor, is to make sure you have all the support and guidance you need to be happy at Weobley, to learn well, and to make the most of all the different opportunities here!

Some of you might be very nervous about coming up to the High School. That's completely natural, but part of our job is to make sure you know what to expect, who to ask if you're unsure, and to help you quickly start to enjoy life at Weobley! The main thing, as Mr Williams has said, is that you try not to worry! I hope that you can get excited about it, and with our help I'm sure you will settle in quickly, make plenty of new friends, and find Weobley High School to be a brilliant place to learn.

You can find more information about your move to Weobley High School by going to weobleyhigh.co.uk and selecting the 'Year 6 Transition' section.

The House System

There are 4 houses at Weobley High School:

Elgar (red) Garrick (green) Godwin (blue) Masefield (yellow)

Your tutor group is related to your house, so everyone in your tutor group is in the same house (just like Harry Potter). There are many house competitions particularly in sport.

You will find a certificate in this pack informing you of which tutor group you will be in

These are the tutor groups in Year 7 with their form tutor name and where they register.

Miss Evans	7 GARRICK	Room 6
Mrs Cooper	7 GODWIN	Drama Room

Lunchtime

Lunchtimes are 55 minutes long. There are always things to do at lunchtime (see “Extra things to do”) so you will never be bored. One of the more important things is to eat your lunch! You can buy hot and cold food in the canteen, or you can bring in your own packed lunch.

Buses

If you travel on a bus please remember to behave sensibly and do as the driver asks. At the end of the day you need to go to your bus room (**you will be shown where your bus room is, so don't worry!**) When your bus arrives, the teacher in charge will take you to your bus.

Extra things you can do

Sport – there is usually a practice or house competition taking place at lunchtimes for both boys and girls. Everyone is welcome to join in. To find out what is taking place, check the notice boards in the Sports Hall.

Music – If you are learning or would like to learn to play an instrument you need to see Mrs Lowry in the music department
