Dear Parent/Carer,

Well we've nearly made it to the end of term! It has been fantastic to have the pupils back in school and they have been simply amazing! As you will be aware, we now have a 2 week break over Easter and the pupils will be returning on Monday 19th April. Over the Easter period, families are asked to continue with the twice weekly home-testing as you are currently. Staff will be doing the same.

We have also been asked to continue with our Test and Trace system and so, please inform us by email if your child has a positive test where they developed symptoms within 48 hours of being in school (i.e. before 3.30pm on Saturday 3rd April). The email address to use is STAFFWH@WEOBLEYHIGH.CO.UK; this will be available up until 7th April.

It is also worth noting that we are now increasingly moving over to paper-free communication as much as possible using Google Docs as well as our PSConnect email and text system and so please continue to look out for ongoing communications from the school and let us know if you have any difficulty receiving these communications.

Finally, thank you once again for your support and cooperation; the partnership between the school and our parents has never been so vital!

I wish you all a good break and I look forward to seeing the children back here on Monday 19th.

Yours sincerely,

Dean Williams
