

THE CHERUB SERIES by Robert Muchamore (absolutely loved this. It was the first book series that got me properly into reading)

- A Week In December by Sebastian Faulks (probably a late year 8 read this one but very good book and I would recommend)

If I were to give a particular one to recommend, it would definitely be the Cherub Series!

Sawbones by Catherine Johnson

Oblivious – Anthony Horowitz

Delaney and co series – Kevin Brookes

The Dogs of Winter – Kem Nunn

The Hunger Games – Suzanne Collins

The School for Good and Evil – Soman Chainani

The inheritance Cycle – Christopher Paolini

Non - fiction
