January 2025

Dear Colleague,

Thank you for expressing an interest in a position at our school. The recruitment of high-quality staff is absolutely key to our continuing success and for this reason we place a great deal of emphasis on ensuring that you are provided with as much information as possible.

Weobley is a rural high school of just over 500 pupils; our intake is truly comprehensive and draws from a very large catchment area including over 20 primary schools. We are fortunate to be situated in an area of outstanding natural beauty in a village location just 15 minutes from Hereford and not far from the Welsh borders. We have an excellent reputation for the quality of teaching and learning which takes place here and standards are at an all-time high and rising; consequently we are increasingly oversubscribed. Every member of staff here is totally committed to improving children's lives and we all work hard to ensure that we are at the forefront of developments in classroom practice. As a team we work collaboratively and visitors constantly comment on the positive ethos within the school amongst staff and pupils alike. The standard of pupil behaviour is also widely recognised as exemplary; including by a very recent OFSTED inspection report.

The ability to be a 'team-player' and a positive role model are key factors we look for in staff. This is a vibrant, exciting place to work and we are all proud to be a part of this "exceptional" school. We spend a great deal of time in nurturing our staff so that they feel supported and can fully develop their potential. We also focus significantly on staff wellbeing; our view is that Weobley should be a happy and positive place to work – both for the children and the adults who work here.

We have a formidable reputation for our SEND provision and our excellent team of Learning Support Assistants is key to this. You will be joining a relatively large and experienced team of support staff where you will be supporting some of our more vulnerable pupils. This is a permanent variable contract which will begin on 30 hours per week. Please just contact us directly if you would like to discuss this; we will always try our best to accommodate.

If you feel that you are up to the challenge of working with us then it would be fantastic to receive your application. You are also very welcome to contact us for a tour beforehand

and to meet some of the staff and pupils. Our website www.weobleyhigh.co.uk is also very informative.

The closing date for applications for the post is Monday 27th January at midday.

I look forward to hearing from you.

Yours sincerely,

W Holder

Executive Headteacher
