

Welcome

A bit about us

We're Caterlink – school food specialists bringing great-tasting meals to students across the UK. Our mission? Simple. **Fresh, feel-good food** that keeps you fuelled, focused and ready for the day. Our awesome team is here to serve up food you actually want to eat.

Good food you can trust

We care about what goes into your meals. That's why we work with trusted suppliers to bring you ingredients that are high quality and responsibly sourced.

From free-range eggs and high-welfare meat to sustainably sourced fish and Fairtrade treats, it's food you can feel good about.

Food you'll actually be excited about

Forget boring lunches – we're all about choice, flavour and variety.

Think:

Street food vibes

High street inspired options

And classics like Fish & Chip Fridays

There's always something new to try... or your go-to favourite waiting for you.

Great food, Great value

Tasty food doesn't have to cost loads.
